**WAR & DIPLOMACY
1918-1945
History Card Game**

Inter-School War & Diplomacy History Card Challenge 2024

In the years 1918 to 1945, nations rose against nations. Every decision made by political leaders had great impact on the fate of the country they led be it a proud victory or shameful capitulation.

War & diplomacy is a game that transports you back in time to become like one of the great decision makers of the day. Invade nations you think will be a threat to you! Convince or coerce the neutral countries to join you!

This is a great game of family and classroom fun where World History comes to life!

Form a group of 7 to 10 and join us for a great time of fun and competition!
