

FAREWELL MS JEYA

BY MR GLENN TAN

In December 2012, Ms Usha Jeyarajah was welcomed into the Bendemeer Secondary family and since then, she has made significant contributions to the school. From the very beginning, Ms Jeya portrayed her dedication in establishing a Parent Support Group (PSG), which has grown and gained much traction over the years. With her warmth and affable personality, she has managed to engage our students’ parents and created multiple platforms, from parenting workshops and interactive sessions, to the popular Breakfast with Parents programme.

In addition, Ms Jeya has nurtured many staff members in the Bendemeer family, providing sound advice and developing personnel based on their strengths, and more importantly, working closely together with them for successful outcomes. She has always been extremely encouraging and supportive of suggestions and ideas from staff, resulting in multiple innovative efforts across the school. Over the years, she has also helped numerous students in so many ways, be it providing guidance and mentorship to graduating students in the area of English Language, or seeing to the general well-being of students in school and at home.

Ms Jeya has indeed made innumerable contributions to Bendemeer Secondary School, and it is impossible to list down everything she has done in her eight years with us. We would like to express our sincere gratitude to all her efforts, and wish her all the very best in her future endeavours. We are certain that she will continue to fly high and proud, and that she will continue to touch the hearts and lives of many individuals. We will definitely miss you, Ms Jeya!
